

At the Churches

Next Thursday, November 25, has been set apart for the people of our great and prosperous land as a day upon which to return thanks to God for His goodness during the past year. Crowds of people all over this country will make an effort to attend services held to commemorate the day and its meaning, and surely there should be this year a better observance than ever, in return for what we have, and thankful that we are not in the midst of cruel war, but have been saved thus far, and are in a land of peace and plenty. Let the whole mass of people in Alliance rally on Thursday next and attend the union service which is to be held at the Presbyterian church! Rev. J. B. Carns has kindly consented to deliver the sermon for that occasion and special music is being arranged for. If you have anything to be thankful for, and surely there is no one but who has a great many things to which to be thankful, come out and show your gratitude to a generous and just God for His mercy that surrounds the people of our land. Make this service one which will long be remembered in Alliance.

Beginning Sunday night, November 21, and continuing on and including November 27, will be Win-My-Chum Week, and this means that the young people of Alliance, who are active in the various societies of the different churches, are going to make an effort on behalf of their friends and chums to get them interested in some church of the town, so that activities once alive in them but now dead may be revived and made stronger, thereby profiting mankind. At 7:30 on each evening during the above dates, a service will be held at the Methodist church, which will be entertaining and attractive to young lives, and it is hoped that these services will be largely attended. They will be entirely in charge of your people. There will be special music and all the Young People's societies of Alliance will be represented. Every effort is being expended to make these meetings very interesting so that all may feel at home in them. All will be welcome to come and join in with this far-reaching effort, and old and young are invited to attend in large numbers. Remember, the meetings begin next Sunday and continue every night during the week.

LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and nobody can tell. Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold. Don't stay gray! Look young! Either use the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
